Workshop on Crisis Management

About the Workshop:

An overview on the nature and management of critical incidents, including *the nature of critical incidents, responses in face of critical incidents (cognitive, emotional, behavioral & biological); differences between Critical Incident Stress Debriefing (CISD) and Psychological First Aid; The eight core actions of Psychological First Aid, and the “Dos” and “Don’ts”*. The workshop includes demonstrations on “Emotional Management Techniques” by means of Role Play.

About the Speaker:

Ms. Winnie Lui (雷慧玲女士)

Registered Social Worker, Registered Hypnotherapist, Family Mediator & CBT Practitioner

Ms. Winnie Lui graduated from the Master of Social Sciences (Counselling) programme in 2005 at the University of Hong Kong. She has worked as social worker and counselor in HKYWCA for 23 years, serving as the core member and convener of the Crisis Management Team. She has extensive experiences in handling critical incidents and training in HKYWCA, government departments and commercial organizations.

Ms. Lui also works as a volunteer Psychological First Aider for the Hong Kong Red Cross and holds station duty at the A&E of Princess Margaret Hospital. Currently Ms. Lui is in private practice at her own counselling and training centre, works part time in HKYWCA, and also serves as part-time practicum supervisor at the City University of HK and the Institute of Cognitive Therapy.
